**RIGHT OF WAY CERTIFICATE (#3)
NO RELOCATION**

Dear Sir:

As per 23 CFR 635.309(c), right of way has been acquired in accordance with current FHWA regulations (49 CFR Part 24) and policies covering the acquisition of real property and the following applies:

I hereby certify that the acquisition or right of occupancy and use of a few remaining parcels is not complete.

This project will remove the existing 6-foot diameter culvert and replace it with a 26-foot wide by 11-foot tall four-sided concrete box culvert. The High Creek stream channel will be realigned to improve the channel's features.

Please find attached the certification table and pertinent right of way plan sheets.

No residential and/or non-residential relocation is required. There are no improvements to be removed or demolished for the above cited project.

I further certify that there were no residential individuals or families displaced by the above cited project. Therefore, the provisions of current FHWA directives covering the relocation of displaced person(s) to DS&S housing and availability of adequate replacement housing are not applicable to this project.

I further certify that appropriate notification will be provided in the bid proposals identifying all locations where right of occupancy and use has not been obtained.

Bids will not be opened until Parcel No. 1-23909 is paid. WSDOT will recertify with a Cert #1 prior to bid opening.

Sincerely,

A handwritten signature in black ink, appearing to be 'H. A.', with a horizontal line extending to the right.
